BIO

With over 21 years of experience specialising in Insolvency and Restructure and Business Advisory services across various industries, Shahin is determined to find the right solution for your needs.

Having been a partner of a large national accounting practice and also part of a large multi-national publicly listed entity, Shahin has founded H&H Advisory as a boutique firm that focuses on its clients' needs with emphasis on value for service.

> ***"At H&H Advisory we take pride in helping businesses that are experiencing financial difficulty. We will take the time to understand the problem you face and your circumstances, so that we can deliver a tailored solution to you."***

We take the time to know our client base, so that we can deliver and implement those solutions effectively and communicate clearly with clients.

Currently undertaking all forms of Corporate Insolvency and Advisory engagements, with the ability to assist businesses improve and continue where possible, Shahin has the drive and passion to deliver the best possible outcome for all parties involved.

Whilst an expert in Corporate Insolvency and Advisory, Shahin's broad experience allows him to find value added solutions for his clients across many industries.

> ***"I am committed to giving the right advice, solving problems and achieving those solutions, which involves putting in the extra effort to get the right result."***
